## Volunteer Guidelines

There will be a \$100 volunteer fee applied per family (not per player) – which will be reimbursed once the mandatory 20 hours have been completed. If all hours are not completed, there will not be a refund – there are no partial refunds.

Each family is required to volunteer at least 20 hours per year with the year running from October 1 (current year) – September 30 (following year).

A volunteer signup sheet is designed for each event – these are posted (usually in the kitchen area for tournament/jamborees and at the raffle table) for each event. There will be a person assigned to each event to ensure that the volunteer hours have been completed – they will initial each slot completed. Please keep track of your hours volunteered. The volunteer sheets will be returned to the Treasurer at the end of the event and hours for each family will be recorded.

For families who qualify for hardship, there will be a minimal fee and additional hours required for volunteering – this will be decided upon at the Boards discretion.

This form and payment must be signed and returned with all other registration documentation for registration to be complete.
