

When the hockey season comes to an end, the last thing people want to be thinking about is the upcoming and dreaded summer fundraising. But, since fundraising is a necessity for our association, we have come up with another option to alleviate most of our summer fundraising (*we are shooting for the pancake breakfast during Water Carnival to be our only summer event*).

This season, each level will be responsible for a “food” fundraiser to raise money for our association. Below is the schedule for the month each level is assigned:

<b>November 2011</b>	<b>Squirts</b>
<b>December 2011</b>	<b>Mites</b>
<b>January 2012</b>	<b>*Pee Wees</b>
<b>February 2012</b>	<b>Bantams</b>
<b>March 2012</b>	<b>Pops/Termite</b>

Some ideas would be a spaghetti feed / burger fry / pancake breakfast – or get creative as a group and come up with something new. These could be held at the HL arena / HL VFW / American Legion in Aurora, just to name a few places. The idea and location are up to you as a group.

The date would also be the decision of the group, it would just need to be held any day of the month you are assigned.

Please feel free to talk to any board member if you have questions. Remember, this will mean much less (if any) summer fundraising for all of us!!

*\* Mesabi East parents/players are required to volunteer for Mesabi East events and Eveleth-Gilbert parents/players are required to volunteer for Eveleth-Gilbert events. If a Mesabi East parent volunteers in Eveleth-Gilbert for an event, they will still get their volunteer hours credited for Mesabi East and vice versa with Eveleth-Gilbert parents volunteering at a Mesabi East event.*
