Volunteering Fees will be raised to \$100.00 and hours are being raised to 20 hours per family per year starting September. Players 6 and under do not have to pay the \$40 USA hockey fee. Any player over will need to register and pay the mandatory \$40.00 and have the USA hockey barcode number at registration or registration will be incomplete. Every player must have all forms and fees paid at time of registration or the registration will not be accepted and player will not be registered. Any family on payments plans for fees must be made by December 31st 2011.

Fundraising

Talked about not doing any summer fundraising with the exception of the pancake breakfast at water carnival. Possibly selling the dunk tank but keeping the ring toss for pops and termite jamborees and turtle races. Talked about each level having some type of food fundraiser during the season to make up for the summer fundraising. Each level would be in responsible for having their own fundraiser and putting together all the details.

3 Members from the Eveleth hockey association came over to the meeting to discuss merging PeeWee and Bantam levels starting this season. Benefits would be each player would develop at their own skill level. We all agreed to start talking about details and scheduled another meeting for August 11th. Mike putting questions and concerns on the website.

Meeting Adjourned 8:30 pm.
